
Title: Explorations of the Forbidden

Author: N tramul Gh

The book is extremely
worn.. pages are
missing and a faint
order of putresent
decay rises with each
page you turn

... gr rmar l'ehm

.....

Beware this next
circle of research
Arch Mage, whilst ye
have been permitted to
access its knowledge
inside the Inner
Sanctum of the
Presidium do not
think that your
successful passing of
the test makes you
immune to the dark
magics ye will learn
of here.

...

You see a drawing
depicting a very
gruesome ritual

...
These constitute the
five levels of the
magh to complete
this ritual, you must
now gather thine as
and proceed to invoke
the....

The rest of the book is
sparsed with
incomprehensible
language and rituals
